

SERVICE AND REPAIR FORM

Please fill out the form below with a short description of the problem area. Make sure to print out this report and put it together with the product inside the box.

HOW TO SHIP

1. Make sure the product is completely dry inside and outside. WP does not repair wet items.
2. Fold it nicely and pack it into a box. Don't use a larger box than necessary.
3. Put one copy of the Service and Repair Form into the box. Important!
4. Ship with UPS or DHL preferably. Other shipment solutions take longer for WP to handle.
5. Ship the package to the address below.
